Kristine & Chip,

I think I've mentioned this to you before..., I'd like to set-up a time in mid-5/11 for us to discuss how source control will be integrated in the PH ROD. I'm thinking up to 2 hours, &, Kristine, it would work for you to plug in via phone if you can't make it to PDX. Do any of these dates/times work for you?

-Wed afternoon 5/18

-Tues morning 5/24

-Wed all day 5/25

-Thurs all day 5/26
